FREESTANDING HAND SANITISER DISPENSER

Our Freestanding Hand Sanitiser Dispenser lets you promote better hygiene to staff or customers by encouraging them to wash their hands more often. Standing around 185cm/6' in height, this tall and eye-catching unit features a stylish aluminum poster frame and a pump-action hand sanitiser unit with a one-litre capacity.

Our hand sanitising station includes a 1-litre bottle for you to fill with your chosen hand sanitising solution. You can pour in any gel-based product of your choice, whether it's a liquid soap or an alcohol hand gel. Pushing the large lever on the top dispenses the gel, while a tray at the base catches any drips. The bottle is quick and easy to refill.
