Working together with South Lambeth BIDs: Brixton Bid, Station to Station, InStreatham and This is Clapham, we have engaged with Get Set UK. Get Set UK is an organisation that has worked within Lambeth for over 10 years.

We provide employment services that support Lambeth residents into work. All levy payers will be entitled to use this service for FREE, which provides local candidates for local jobs, at a considerable saving to businesses.

Vacancies will be advertised and candidates pre-selected for interview. Once appointed the service will continue to monitor progress and feedback with businesses on how the employee is settling in.
